Over 4000 Students Avoid Late Fee! How did they do it?

The answer: Pay your tuition—or enter into a payment plan—before the first day of classes for the term. The only exception to this is if you are taking certain classes, such as NAA 100 (also called a CNA class). In those cases you may be required to pay up to a week before class begins to hold your seat in the class. See the *Fine Print* below for more information about tuition, fees, payment plans, and financial aid.

Your Money Back—Guaranteed!

As long as you drop your class before the last day to add a class, you get a 100% refund. This means you have to drop during the first week of classes if you are taking a class that meets all semester (for classes that meet less than that, the time is reduced). Even if you stay in the class a little longer than that, you may still be eligible for a 50% refund (no kidding—see the *Fine Print* below)

Got Books?

The OCTC Bookstore, operated by Barnes & Noble, is located on the Lower Level of the Campus Center. The best part of the deal: If your financial aid is showing in PeopleSoft (see SUNRISE below), a week before classes begin for the semester, you can actually charge your books to financial aid. Regular store hours are Mon-Thur 8AM - 5PM; Fri 8AM-1PM and any extended hours during the week before classes begin will be posted at the store. The bookstore offers the required and recommended texts (including many used books) for all OCTC classes, a reference area, a selection of OCTC apparel, gift ideas, and school supplies. The bookstore conducts a book buyback during finals week each semester. See the semester calendar for dates and times. Cash, checks, and credit cards are accepted. Refund Policy: during the first week of classes a full refund or credit will be given if books are returned in the same condition as purchased, accompanied by the receipt.

Life Happens

Sometimes life happens and classes don't work out. You can drop online before classes begin via SUNRISE, but once classes start, you must go to the START Center to drop classes. See the *Fine Print* for the steps you must take.

Got Cap & Gown?

You can buy those at the Bookstore too—but you won't need them if you do not apply for graduation. At the beginning of your final semester, have your academic plan reviewed, updated, and signed by your official advisor. Then visit the Student Records Office between June 13-17 to apply. Please allow at least twenty minutes to fill out the required paperwork.

What happened to my class?

While we want all our classes to fill with students, sometimes they do not. Due to this, we reserve the right to cancel any course that does not have sufficient enrollment. We contact you before the first class meeting, if at all possible, and help you schedule an alternative class.

When there is a terrible, no good, just very bad day.

Weather happens, and when it does, we get the word out. Our SNAP message alert system (www.kctcs.edu/snap) is the best way to find out what is happening, sign up for text (SMS messaging) or voice alerts. Or—we post it on our website (www.owensboro.kctcs.edu) on Facebook, Twitter and send info to: 92.5 FM, 94.7 FM, WFIE-TV, WTVW-TV, WEHT-TV, WEVV-TV, OC-TV on Owensboro Cable Ch 71.

A decision to cancel classes due to inclement weather will be made by 7 AM for day classes (8AM - 4PM) and 3:00 PM for evening classes (5:00 PM or later) when possible. If the weather causes a delay in opening the campuses, students should resume the normal schedule for classes at the time announced. (i.e. If campuses delay opening until 10 AM, students should report to their 10 AM classes at that

time.) If you have an off-campus class—check this out: The policy for off-campus classes is if the high school classes are cancelled, the OCTC off-campus classes are cancelled. Exceptions are made at the discretion of the instructor and administration.

THE FINE PRINT--REALLY

SUNRISE & you're set!

Print out your grades and schedule, pay your tuition and fees, register for classes, or access your student e-mail. You can do it all with SUNRISE: The System U Need for Registration, Information, and Student E-mail.

Step 1 Find your student ID number. It is a nine digit number that begins with "00" and may be found on either your schedule or bill.

Step 2 Go to SUNRISE at www.octc.kctcs.edu/sunrise and select "Activate your SUNRISE username and password"

Step 3 Enter your last name and your nine digit student ID.

Step 4 Select "Sign In". Your name should then appear on the screen. Select "yes" if it is correct.

Step 5 Print the page with your account information so you will have it for future reference. If you do not have access to a printer, make sure you write down your username (example: jdoe0004) and your email address (example: jdoe0004@kctcs.edu).

Step 6 Set your password. The password must be 8 characters long. It must include uppercase (A-Z) and lowercase (a-z) characters and numbers (0-9) or symbols and cannot include your name.

Step 7 Go to SUNRISE at <http://www.octc.kctcs.edu/sunrise> to access your student e-mail, student records (schedule, grades, account, & financial aid info), and course materials. You will use the same username and password to log on to on-campus computers.

Class offerings for future terms are subject to change. When you are finished, close the browser to prevent others from accessing your information.

Tuition Rates & Fee Payment

Tuition 2010-11 In-State \$130 per credit hour; Out-of-State Contiguous county \$260; Out-of-State \$445. OCTC, a member of The Kentucky Community & Technical College System (KCTCS), makes every effort to include relevant, timely, and accurate information in its publications. However, they reserve the right to make changes in the calendars, admission policies, expenses, programs, curricula, course descriptions or any other matters not addressed in this publication. Prospective and enrolled students should check with the appropriate office to learn of any such changes. Please check the KCTCS catalog for out-of-state contiguous county inclusions. Pay on-line at <http://www.octc.kctcs.edu/sunrise>. Tuition is payable prior to the first day of classes for the term. Visa, Discover, and MasterCard are accepted. Fee payment drop boxes are available on each campus for your convenience. Note: Registration is not complete until fees are paid. The last day to pay tuition to avoid cancellation of registration is June 8. Students receiving financial aid should see a Financial Aid Counselor. ** A \$75 late charge will be assessed for payments received after this date.

Tuition Payment Plan

Students may choose to participate in the tuition payment plan. This plan managed by the Nelnet Business Solutions will allow students more flexible payment options. There will be a \$25 per semester, non-refundable fee for all students who sign up for the plan. Students must register prior to signing up for the payment plan.

April 8	25% down payment required. Three payments May-July.
May 9	50% down payment required. Two payments June-July.
June 8	50% down payment required. One payment July only.

No payment plans will be accepted after June 8. To apply for this payment plan, visit the Business Office at the Main Campus.

Tuition Refund Policy

Failure to officially withdraw from a class in the START Center will result in a fee payment penalty.

Withdrawal Date:	Amount of Tuition Refunded:
On or before June 10*	100%
June 11-22**	50%
After June 22***	No Refund

Due to the Reauthorization of Higher Education Act, new refund regulations will be applied to Title IV aid recipients who completely withdraw during their first semester, or stop attending and fail to officially withdraw from classes.

The Hope Scholarship - The HOPE "Scholarship" is not technically a "scholarship." It is a tax credit available to eligible students during their first two years of postsecondary education. The tax credit covers 100 percent of the first \$1,000 of tuition and fees, and 50 percent of the second \$1,000 during the qualified period. The tax credit is nonrefundable. To be eligible, a student must be enrolled in a degree, certificate, or other program leading to a recognized education credential. The student must be enrolled at least half time. The HOPE tax credit applies for tuition and fees paid after December 31, 1997 and for education provided in academic semesters after that date. Eligible individuals will claim the credit when they file their federal income tax forms in April. See the Federal Income Tax Documentation or ask OCTC staff for information.

Student Financial Aid

Priority Deadlines for Financial Aid
FAFSA - Free Federal Application for Student Aid:
Fall/Spring Academic Year - by March 15
Fall Semester Only - by March 15, each year
Spring Semester Only - by October 15, each year
OCTC Scholarship Applications - by April 1, each year

FAFSA on the Web - Students are required to file a FAFSA every year in order to receive FA/Stafford Loans. FAFSA applications are only valid for the regular academic year, not the calendar year of Jan.-Dec. FAFSA can be filed online at www.fafsa.ed.gov or by calling the FA office at 686-4520 for an appointment.

Financial Aid Resources - OCTC participates in the following financial aid programs: Federal Pell Grant; KY Cap Grant; Federal SEOG Grant; ACG Grant; Federal Workstudy Program; America Reads and America Counts Workstudy Tutoring Programs; and the Federal Stafford Loan Program. OCTC offers many scholarship resources.

Financial Aid Processing and Check Disbursement - Financial Aid award dollars are disbursed for total enrollment status as of the census date each semester. If a student has been a full-time student in the Fall and a full-time student in the Spring, they will have exhausted their financial aid funds for the school year. Summer classes should then be planned for accordingly. Check with FA office to see if any additional OCTC summer funds are available. FA residual checks will be mailed to students approximately 4-6 weeks after the first day of classes.

Student Loans - Stafford Loans are available to students who are eligible and meet the criteria. Students must have been enrolled in at least 6 credit hours per semester. Students must complete the FAFSA process, a Loan application, have a PIN number and meet with the OCTC Loan Officer. Due to an increase in our loan default rate, there will now be a 30-day delay on all loan disbursements.

Mandatory Repayment of Financial Aid - Beginning Fall 2000 Federal Title IV regulations require students who stop attending classes to return all or a portion of Title IV grant or loan funds. The amount to be returned will be based on the actual number of days attended in the term. Students who stop attending classes, do not officially withdraw, or receive all failing grades ("E, F, Z, etc.") MUST pay all or a portion of Title IV aid back at the end of the semester. Repayments of over-awards or repayments due to lack of attendance or withdrawal will be due to the Department of Education within 30 days of written notice.

bi-term courses are often prerequisites for classes held during the second bi-term. Students who do not receive a passing grade or drop such a prerequisite first bi-term course must pay back any financial aid disbursed toward the second bi-term course.

Financial Aid Policies and Procedures - It is a new policy of OCTC that any FA student who notifies a staff member in the FA office of the intent to cease attending classes will have, for the purpose of calculating the Return of Title IV funds only, provided official notification of "Intent to Withdraw" from classes. Students must still complete the official withdraw process in START Center. All Federal, State, and OCTC Financial Aid policies and procedures are kept on file in the FA office for student viewing.

Withdraw

Students may withdraw from classes and automatically receive a grade of W after classes begin. The W grade indicates only that the student withdrew and does not affect his/her grade point average. After midterm (see Academic Calendar) the instructor may assign a grade other than W based on the instructor's course policy regarding withdrawals. Students may not withdraw from classes after the last day of classes-See Academic Calendar. Contact the START Center to officially withdraw 686-4527.

Drop/Add Classes

To drop classes, a student must:

1. Pick up and fill out a drop/add slip from the START Center 686-4527.
2. Turn in the completed, signed slip to the START Center.
3. For classes dropped after midterm (see Academic Calendar), the instructor must sign the drop/add slip.
4. Keep the student copy as a record of the change.

Option to repeat

Students may request to repeat a course as necessary to improve a grade. Applications for this option are available in the START Center. The application must be completed before class work begins.

Crime Log

The OCTC Crime Log can be found at www.legacy.owensboro.kctcs.edu/minglerlog/

Dar-Nek Family Development Center Early Headstart & Headstart Services

Available for children ages six weeks to four years old. Students must meet income eligibility requirements and be enrolled at OCTC. Call 683-6377 for more information.
